

Hamlin & Burton

LIABILITY MANAGEMENT

CLAIM AND LITIGATION MANAGEMENT

In 1999 Paul Hamlin founded Hamlin & Burton Liability Management to provide specialized claim and litigation management services to the insurance industry, alternative risk entities and self-insured organizations.

Hamlin & Burton professionals average more than 25 years of experience handling complex professional liability claims and litigation. Our claim professionals are skilled in superior negotiation methods, timely and professional reporting, clear communication and strategic guidance.

Forming partnerships with our clients and providing reliable and knowledgeable guidance throughout the claim handling process is a hallmark of our organization. We are committed to the comprehensive early investigation and optimum resolution of all claims and lawsuits while keeping our clients compliant with federal and state regulations.

CHaRT[®]
Claim Handling and Reporting Technology

TECHNOLOGY SOLUTIONS

Hamlin & Burton developed CHaRT[®], a proprietary claim information system, to meet the needs of our clients. CHaRT[®] is a sophisticated system specifically designed to facilitate and ensure consistency of Hamlin & Burton's claim handling procedures in logistically demanding and customized environments.

CHaRT[®] ensures compliance by monitoring reporting requirement triggers and deadlines for Medicare Secondary Payer (MSP) Reporting, National Practitioner Data Bank (NPDB) Reporting and other federal and state regulatory requirements. CHaRT[®] is HIPAA compliant.

COMPLIANCE SERVICES

We offer a variety of compliance services including Medicare Secondary Payer (MSP) Reporting, National Practitioner Data Bank (NPDB) Reporting, State Regulatory Reporting and OFAC screening. Hamlin & Burton ensures compliance with HIPAA and HITECH and offers claim indexing through ISO ClaimSearch[®].

Hamlin & Burton provides an array of claim management services to fit the very specific and focused needs of our clients. To learn more about our services, please visit our website at hamlinandburton.com
